STOUGHTON PUBLIC SCHOOLS WANTS YOUR INPUT!!

We are looking for your thoughts and ideas!

SCHOOL FACILITIES

WHAT SHOULD THE FUTURE LOOK LIKE?

- How can we best use the space we have?
- What improvements to our school buildings do you think we need to plan for?
- What enhancements to the buildings would help serve the community needs as well?

WE ARE LOOKING FOR INPUT FROM PARENTS, SCHOOL PERSONNEL AND THE COMMUNITY

The Space Needs Committee invites you to join us to discuss these issues on
Thursday, October 12, 2006
Stoughton High School Cafeteria at 7:00 p.m.
CHILD CARE WILL BE AVAILABLE
 (Provided by SHS Student Council)

Birthdays celebrated in school should be an easy-to-eat snack for each classmate (of course healthy snacks preferred). Hard-to-cut and time consuming foods such as sheet cakes and gallons of ice cream are not allowed. Students should bring only enough for classmates and teacher(s). Students are not allowed to walk around the building to deliver food to past teachers, siblings or friends. Thanks for your cooperation.

Dismissal Reminder:

Please do not talk on your cell phone during dismissal time. With safety as our #1 concern, it is important that all adults are watching for other cars and/or students passing through the walkway.
Green side: If you decide to get out of your car, please stand on the grass outside the nurse's office. Duty teachers can't see cars or students getting in and out.
