ENGLISH/LANGUAGE ARTS	T1	T2	T3
READING and FLUENCY			
Reading level (below, at, or above)			
Reads with accuracy, fluency and expression			
COMPREHENSION			
Identifies story elements and retells a story in grade level text			
Demonstrates the use of comprehension skills and strategies and applies them to grade level text			
Understands the elements of different genres			
VOCABULARY			
Understands and uses new vocabulary			
PHONICS			
Uses appropriate phonics strategies with unfamiliar words and applies them to reading and writing			
GRAMMAR, USAGE and MECHANICS			
Understands and correctly applies grammatical concepts			
WRITING			
Applies knowledge of spelling rules and patterns to formal and informal writing			
Writes an organized piece with purpose, clarity and details			
ORAL LANGUAGE			
Communicates ideas orally with clarity using grammatically correct language			
MATHEMATICS			
Uses place value understanding to round whole numbers to the nearest 10 or 100			
Fluently adds and subtracts within 1000 using strategies and algorithms based on place value, properties of operations, and/or the relationship between addition and subtraction			
Understands properties of multiplication and identifies and explains patterns in multiplication			
Fluently multiplies two one-digit numbers			

	T1	T2	T3
Solves two-step problems using addition, subtraction, and multiplication using a variety of strategies			
Represents and solves problems involving division expressed as sharing or partitioning into equal groups			
Understands the relationship between multiplication and division and uses this relationship to determine the unknown whole number in a multiplication or division equation			
Understands fractions as the quantity formed when a whole is partitioned into equal parts of a region, set, or number line			
Compares fractions by reasoning about their size			
Explains equivalence of fractions			
Fluently multiplies two one-digit numbers			
Solves two-step problems involving the four operations using a variety of strategies			
Understands and categorizes 2-dimensional shapes by their attributes and partitions shapes into parts with equal areas			
Tells and writes time to the nearest minute, measure time intervals in minutes, and solves word problems involving addition and subtraction of time			
Recognizes perimeter as an attribute of polygons and solve real-world and mathematical problems involving perimeter of polygons			
Recognizes area as an attribute of polygons and understands concepts of area measurement			
Relates area to the operations of multiplication and addition			
Solves problems involving estimation and measurement of liquid volumes and masses of objects			
Represents and interprets data			
Generates and represents measurement data on a line plot using rulers marked with halves and fourths of an inch			
Solves two-step problems involving the four operations, area, perimeter, time, and measurement using a variety of strategies			

SCIENCE	T1	T2	T3
Demonstrates understanding of science concepts and content			
Makes skillful predictions and observations			
Uses scientific instruments and processes to collect and organize data			
Draws appropriate conclusions from collected data			
Communicates scientific thinking using correct vocabulary, orally and in writing			
SOCIAL STUDIES			
Demonstrates understanding of social studies concepts and content			
Interprets and constructs data from maps, charts and tables			
Communicates understanding of social studies concepts using correct vocabulary, orally and in writing			
ART			
Effort			
Conduct			
Demonstrates understanding of skills and concepts			
COMPUTERS			
Effort			
Conduct			
Utilizes computer applications for productivity, communication and research			
MUSIC			
Effort			
Conduct			
Shows appreciation and understanding of musical concepts			
Participates in all class activities			
PHYSICAL EDUCATION			
Effort			
Conduct			
Demonstrates understanding of skills and concepts			
Demonstrates sportsmanship and cooperation			

WORK HABITS and SOCIAL DEVELOPMENT	T1	T2	T3
Demonstrates consistent effort in all areas			
Follows classroom rules and routines			
Uses time efficiently and completes work in a timely manner			
Completes and returns homework assignments on time			
Interacts and works cooperatively with peers and adults			
Presents neat and careful work			
Follows oral and/or written directions			

Attendance	T1	T2	T3	Total
Days Present	59			57
Days Absent	0			0
Times Tardy	0			0
