Early Thursday Trip

3/5/2020 | 1:00-4:00 | Grades 4-8 | $15

Uptime E-Sports is New England's first e-sports center that focuses on a healthy balance between gaming and physical fitness. With a facility spanning over 6,500 square feet including an indoor turf area, kids will have the chance to alternate between games like Mario Kart, Minecraft, NBA 2K and physical activity on the turf. Uptime E-sports is built on four core values: balance, positivity, respect, and teamwork. Kids can play a wide variety of appropriate games in a structured, supervised and balanced way! Both pick up and drop off are located at the Stoughton COA and Youth Commission building at 110 Rockland St. Please note that this trip is a change from the previous venue listed for this date. Please contact the Recreation Department with questions.
